The GJGF Is Growing the Game One Player at A Time!

The mission of the GJGF is to positively affect youth by promoting interest and participation in the game of golf.

The purpose of the GJGF is to introduce the game of golf and its values to young people in Georgia and to provide opportunities for continued growth and involvement in the game.

"I am very excited to be associated with the Georgia Junior Golf Foundation and its new license plate program to raise awareness and funds for the youth of Georgia. Junior golf meant so much to me growing up because it built a solid foundation that helps me everyday on the PGA TOUR. With Georgia being my new home I look forward to a long relationship with the GJGF to help juniors find joy in the game of golf. Play Golf Georgia!"
