Topics such as fish biology, habitats, and conservation will be explored through guided tours and fun educational activities.

All equipment and bait will be provided. Food and drink will not be provided. Campers will need to bring their own lunch, snacks, and water bottle. Due to limited space, pre-registration is required by June 4th for session 1, June 11th for session 2, and July 9th for session 3. Payment will be due on the first day of each camp. Annual passes and library passes are intended for general admission only and cannot be used for this program. **Go Fish Education Center is closely following state and federal recommendations regarding COVID-19.
