Session 3: July 7 – 9, 2026 (ages 8 – 15)

*****Session 4: July 14 – 16, 2026 (ages 7 – 9)**

9:30 am – 3:30 pm

\$115 per child

This introductory-level camp is designed for youth who would like to get outdoors and learn the basics of fishing. In addition to learning how to fish, campers will also receive instruction on fishing equipment, safety, casting, and cleaning fish. Topics such as fish biology, habitats, and conservation will be explored through guided tours and fun educational activities.

** First session is a more advanced camp and requires past participation in one of our previous summer camps.

***Fourth session is for our younger participants and will focus on basic fishing and outdoor exploration. Topics will include Tacklebox Tuesday, Wild Wednesday and Tree Thursday.

All equipment and bait will be provided. Food and drink will not be provided. Campers will need to bring their own lunch, snacks, and water bottle. Due to limited space, pre-registration is required! If you are interested in registering or would like more information, please contact Chrystal Sherwood at chrystal.sherwood@dnr.ga.gov.

Payment will be due on the first day of each camp. Pre-payment is encouraged during the week prior to camp. Annual passes and library passes are intended for general admission only and cannot be used for this program. We will update registered families via email if any changes are made regarding our camps.
