

Go Fish!

Fishing Day Camps

Session 1: June 14th – 16th, 2022

Session 2: June 21st – 23rd, 2022

Session 3: July 12th – 14th, 2022

****Past participants are encouraged to register for session 3****

9:30 am – 3:30 pm

\$100 per child

This introductory-level camp is designed for youth, ages 7-15, who would like to get outdoors and learn the basics of fishing. In addition to learning how to fish, campers will receive instruction on fishing equipment, safety, casting, and cleaning fish. Topics such as fish biology, habitats, and conservation will be explored through guided tours and fun educational activities. The third session is a more advanced camp and requires past participation in one of our previous summer camps.

All equipment and bait will be provided. Food and drink will not be provided. Campers will need to bring their own lunch, snacks, and reusable water bottle. If you are interested in registering or would like more information, please contact Chrystal Sherwood at chrystal.sherwood@dnr.ga.gov. Space is limited and pre-registration is required!

Payment will be due on the first day of each camp. Annual passes and library passes are intended for general admission only and cannot be used for this program. We will update registered families via email if any changes are made regarding our camps.
